

Wyoming BREAST CANCER INITIATIVE

2018 Organization	Named in Gratitude:	Award	2018 Project Name	Description
Ark Regional Services, INC.	Wyoming Breast Cancer Survivors	\$4,135	Ark Regional Services Breast Clinic	Ark Regional Services will provide a monthly clinic for breast screening and education in an attempt to detect early breast cancer for approximately 45 women with intellectual disabilities who receive services from the organization.
Campbell County Healthcare Foundation-Cancer Care Committee	Kristi Weidenbach 2018 Race Chair, Cheyenne	\$5,000	Paint Gillette Pink	PGP will use the funds to educate and spread awareness of breast cancer to Campbell County and the surrounding areas.
Casting for Recovery	Nancy Reno, Lights on Bright	\$1,000	Casting for Recovery 2019 Retreat	The Casting for Recovery Wyoming program will provide a 2½ day retreat for 14 breast cancer survivors in July 19-21, 2019 at no-cost to the participants. Retreats are offered free of charge to the women who attend; funding is needed for food, lodging, supplies, and educational materials. The Wyoming team is responsible for raising 100% of program funding.
Cheyenne Regional Medical Center	Abby Huck, 2018 Race Chair, Casper	\$8,000	Wyoming Breast Cancer Initiative (WBCI) Voucher program state wide advertising	Raise awareness for women in Wyoming who have no insurance or high deductible insurance that there is a source that will pay for mammograms. This grant will help promote the WBCI Voucher program.
Gillette Reproductive Health	Jen Galloway 2018 Race Chair, Casper	\$5,000	Breast Navigation and Clinical Breast Exams	Gillette Reproductive Health will provide clinical breast exams, breast health education, and navigation through the system when needed. GRH will also provide translation for our Spanish speaking patients.
Iverson Memorial Hospital	Thrivent Financial	\$15,600	Breast Boutique at the Meredith & Jeannie Ray Cancer Center	The Breast Boutique at the Meredith & Jeannie Ray Cancer Center will provide specialty services and products for post-surgical breast cancer patients. These services will provide patients with breast prostheses from a certified mastectomy fitter in a dignified boutique.
Iverson Memorial Hospital	Janet Dorsch	\$1,040	Surviving and Thriving After Cancer (STAC)	Iverson Rehab Services will offer the 'Surviving and Thriving After Cancer' exercise and education program designed to assist those who have experienced cancer or those who are undergoing cancer treatments.
Laramie Reproductive Health Clinic	Kelly Miner, WBCI Administrator	\$2,060	WBCI- Breast Cancer Awareness and Care	LRHC provides Title X services which is made possible through receiving the federal Title X Grant, these services are limited and do not include breast cancer screenings. The Breast Cancer Awareness and Care program funded by WBCI will allow LRHC to expand services to provide funding for appropriate breast cancer screenings. Based on previous years need, LRHC is budgeting to provide 6-10 women with financial assistance. Funding will be provided to uninsured, low income women.
Memorial Hospital of Carbon County	Barb Lawyer, WCRS Region 1	\$7,500	Women's Breast Imaging Awareness and Financial Assistance	To assist uninsured and under-insured Carbon County residents with funds for screening and diagnostic imaging. To promote and raise awareness for Carbon County residents in the importance of screening mammograms and complete breast care and imaging. To help navigate patients and survivors through the services offered locally and statewide.
Memorial Hospital of Sweetwater County Foundation	First American Title	\$5,700	Paint the Town Pink/Ladies Night Out-Unmasking Cancer	Memorial Hospital of Sweetwater County (MHSC) is seeking funding to host a multifaceted breast cancer awareness initiative that will empower women with knowledge on screening, prevention, and treatment of breast cancer. Throughout the month of October and in collaboration with the City of Rock Springs and the City of Green River, MHSC will promote and encourage community participation to raise awareness of breast cancer and educate on the importance of breast health.

Northwest Wyoming Family Planning	Barb Robertson, CFD Pink Day Team	\$9,500	Empowering the Big Horn Basin	Northwest Wyoming Family Planning will use the grant to offset the costs of providing breast health services to the different communities in the Big Horn Basin.
Sheridan County Memorial Hospital Foundation	Anita McLaughlin, Wyoming Community Foundation	\$15,000	Sheridan Memorial Hospital's Welch Cancer Center Breast Boutique	Grant funds will help continue the service established with the original grant. The Boutique provides FREE post-operative camisoles, breast prosthesis and bras (private, personalized fitting) to breast surgery patients. Initial funding established a certified fitter, inventory, and now continued replacement inventory necessary to meet the needs of women seeking these services. SMH has supported the Breast Boutique with marketing and staff expenses, as well as support for the concept.
Worland Business & Professional Women's Club of Worland Wyoming	Kathy Weidenbach and Drink for Pink	\$2,500	Gorgeous Gals Gala	Funds will help with the Gorgeous Gals Gala speaker, advertising and renting the event location. This event honors cancer survivors in multiple counties.
Wyoming Cancer Resource Services IV	Carisa Thomas 2018 Race Chair, Cheyenne	\$2,000	Early Prevention Initiative	The goal is to use the funds to increase early prevention efforts and to re-educate health care providers on the available financial support for Mammograms (WBCCEDP and WBCI). Work with current partners to identify the key barriers to breast cancer screening in Big Horn County. (hours, transportation, health literacy). Work collectively to find ways to remove the barriers. Find local advocates to help with patient navigation. (Expand mammogram hours, provide transportation or childcare).
Wyoming CARES	#CarisaStrong Team	\$5,000	Medical Travel Assistance Program	This medical travel program serves Wyoming residents who need assistance travelling to medical appointments in state and out of state (Denver, Salt Lake City, Mayo Clinic, etc.) for ongoing care, especially cancer care, or diagnostic appointments; expect to help about 40 breast cancer patients.
Wyoming Foundation for Cancer Care	WBCI Statewide Volunteers and Advisory Team	\$15,000	Angels Breast Boutique	The Angels will provide mastectomy bras/prosthesis to any woman in Wyoming that has undergone a mastectomy.
